

Kennedale Speedway Park

Trailer Race Rules 10-5-2019

- Safety is #1
 - Full face helmet and long sleeve shirts and pants are required.
 - Shoulder and lap belts required, racing harness is recommended.
 - Airbags must be removed.
 - No alcohol allowed.
 - Minimum of 2 tires (no small tires, must be size for trailer, 13-16")
- Manufactured boat trailer or campers with smaller tires are allowed to run original size.
 - **ALL TRAILERS MUST HAVE A PROP ON THEM** (boat, couch, etc)
- All loose items and appliances must be removed from inside of campers, no engines, fuel tanks, or out drives on boats.
 - Boats must be strapped to trailers.
 - All glass must be removed from trailers.
- Tongue must be attached to vehicle by free pivoting hitch and ball, no safety chains and equalizer bars allowed.
 - Minimum 10 ft, maximum 20 ft trailer.
 - Two longest trailers will start on the front row.
 - **NO OBSCENE LETTERING ALLOWED** (this is a family environment)
- Mascots, vehicle decoration, cartoons, advertisements, etc are encouraged.
 - All trailers will be inspected prior to race. Any trailer found to be in violation will not be allowed to race until violation has been fixed up to race time.
- Object of race is to finish with your trailer still attached while separating the trailer of your competitors tow vehicle. If you lose your trailer during the race, you must pull to the infield.
 - No tow vehicle to tow vehicle hits. Must hit trailer of competitors.
- First vehicle to finish with eligible trailer or last vehicle with eligible trailer attached wins.
 - Any entry that submits a photo of their trailer 2 weeks prior via text message or Facebook will have their entry fee waived

- KSP reserves the right to use any photo submitted for promotional purposes.
- There will be a \$200 best in show award based on crowd vote prior to the start of the race.
- Any questions or comments may be submitted via Facebook or contact Tony Dycus or Bo Rawdon

Tony Dycus – 214 502 7406

Bo Rawdon – 817 313 8563
